

THE TERRY FOUNDATION

2002 - 2003 ANNUAL

MANY STARS COME FROM TEXAS.

MESSAGE FROM THE FOUNDER

The Terry Foundation is nearing its seventeenth anniversary and what began modestly in 1986 is now the largest private source of scholarships for the University of Texas and Texas A&M University. This April, the universities selected 350 outstanding Texas high school seniors as interview finalists for Terry Scholarships.

When the interviews were completed, 166 new 2003 Terry Scholars were selected. We are indebted to the Scholars and Scholar Alumni who joined the members of our Board of Directors in serving on eleven interview panels to select the new class. These freshmen will join their fellow upper-classmen next fall in College Station and Austin as part of the largest group of Terry Scholars ever enrolled at one time.

The spring of 2003 also brought graduation to 71 Terry Scholars, many of whom graduated with honors. They are all moving on to further their education in graduate studies or start their careers. They now join a growing body of Scholar Alumni known as the Terry Foundation Family.

Recently the Board of Directors approved the expansion of the Terry Foundation Scholarship Program to the University of Houston. The first UH Terry Scholars will be selected in interviews held in April 2004, with the inaugural class to enter the UH central campus in the fall of 2004.

On behalf of the Board of Directors and staff, we would also like to thank the Scholars, Scholar Alumni and the staffs at Texas A&M University and The University of Texas for their invaluable assistance during our annual interview process in Austin, Houston, and Dallas.

“Remember, the harder you work, the luckier you get...”

Work hard, do well, and make us all proud.

Howard L. Terry

HISTORY OF THE FOUNDATION

“Success is the attainment of the goals you’ve set for yourself in life.”

–Howard L. Terry

The Terry Foundation’s goal is to improve and develop the State of Texas by assisting Texas students to attend the state’s finest public universities. The Foundation hopes that these students will have a significant impact on the future leadership of the state and nation. To achieve this goal, the Foundation awards full scholarships to students who meet the high standards set by the Founders.

What began in 1986 as a small scholarship program is now the largest private source of scholarships for the University of Texas and Texas A&M University with over 600 Terry Scholars enrolled. But its origin was neither large nor legendary – and as humble and low-profile as the Founders whose name it bears.

The Terry scholarship program was born of a desire of Howard and Nancy Terry to help young people to help themselves. A long-time resident of Houston, Howard Terry had been active for many years in banking, construction, real estate, and oil & gas. With profound business success over the decades and their family’s needs met, the Terrys developed a growing desire to give back to the community and, specifically, to help young people to reach their goals in higher education.

In 1986, the Terrys began considering a variety of options in their desire to make a lasting contribution to the future of Texas higher education. After evaluating ideas as varied as university campus construction projects and endowed-chair faculty positions, the Terrys were still not satisfied. Knowing that universities are more than buildings and classrooms, Howard Terry had repeatedly declined to allow the universities to honor his previous contributions by placing his name on campus structures: “Mortar & bricks will eventually be torn down,” he reasoned. The Terrys believed, in the long term, that a university, like the state it represents, is only as

In the early years of the Foundation, all the Scholars at the annual picnic could sit together around just a few tables.

good as the educated citizens it produces. Thus was born a desire to invest in the students who would attend the public colleges and universities in Texas.

The Terrys’ desire to help young people was influenced greatly by Howard Terry’s own college experience: he had attended the University of Texas on an athletic scholarship, where he was captain of the football team and graduated in 1938. His family origins in Cameron, Texas were modest and it was only through the generosity of others that his college education had been made possible. Mr. Terry never forgot the helping hand that he had received in attending college and was determined to extend that same help to a new generation of students.

At one of the earliest picnics, Mr. Terry addressed all the Scholars – without a microphone.

After seeking counsel from sources that included UT coach Darrell Royal (an original Foundation Board Member) and Houston attorney Rhett Campbell (Board Member since inception and now Board Chair), the Terrys determined that their most lasting contribution would be through a perpetual endowment that would provide college scholarships for students who had demonstrated the capacity to become outstanding future leaders and who needed financial assistance to achieve their goals in higher education. From this simple concept, the Terry Foundation was created in 1986 to be the source of a perpetual scholarship program.

Scholars at a 2002 Orientation session.

The first scholarship recipients, known since then as “Terry Scholars,” were selected at interviews held in the spring of 1987. That original class of seventeen 1987

Scholars were joined in the 1988-1989 academic year by 17 additional recipients. Over the years, the number of Scholars selected has increased, with the most recent spring 2003 interviews having resulted in the selection of 166 new freshman Scholars. These recipients will join the upper-class Scholars in College Station and Austin to number over 600 Terry Scholars enrolled for the 2003-2004 academic year. In the fall 2004, the Foundation Scholarship Program will expand for the first time in its history, when Terry Scholars will be named at the University of Houston.

Since its inception, the Terry Scholarship program has assisted over 1,100 Texas college students to achieve their goals in higher education. The Foundation Board now oversees an endowment of over \$100 million and includes two members who are Terry Scholar Alumni. Chartered to exist into perpetuity, the

Foundation is designed to continue in the future to provide a greater number of scholarships each year.

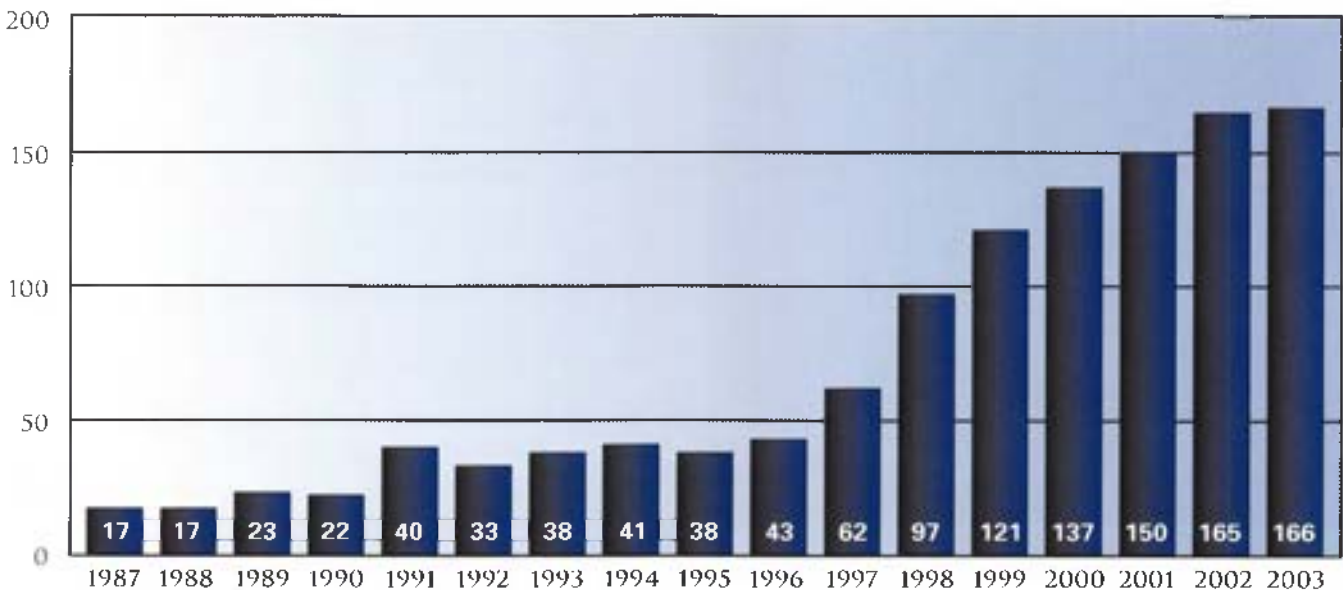

Howard and Nancy Terry continue to be active participants in the scholarship program that bears their name. It has become larger than they ever imagined, fulfilling in the process their dreams of making a difference in the lives of students across the state.

Despite his extraordinary success in ventures that made the Terry Foundation possible, Howard Terry observes that “the Terry Foundation is the most important thing I’ve done in my life, because it’s enabled me to help more people than I would have ever been able to do otherwise.”

The earliest Scholar classes at each university numbered as few as eight.

NUMBER OF FRESHMAN SCHOLARS SELECTED

THE TERRY SCHOLARSHIP PROGRAM

Criteria

The Terry Foundation awards scholarships to Texas high school seniors who have been accepted for admission to the University of Texas at Austin, Texas A&M University at College Station, or, beginning in the fall of 2004, the University of Houston. To be selected to receive a scholarship, potential Terry Scholars must demonstrate academic excellence, leadership, and financial need.

Terry Scholars are distinguished by a deep-rooted desire to enrich the general welfare of the community and an established record of leadership. In order to select Scholars with the greatest potential for success, the Foundation's selection committees focus on candidates with a demonstrated history of involvement in activities, outstanding scholastic achievement, and a well-rounded personality marked by a desire to succeed.

Nominations for Terry Scholarship awards are accepted only from the designated offices of the University of Texas, Texas A&M University, and the University of Houston. Nominations are not accepted from any other source.

Board Meeting – Chairman of the Board Rhett Campbell and Board Members Carter Overton and John Storms.

The Selection Process

Each year in April, the Terry Foundation announces the new class of Terry Scholars after an intense two-step selection process. Early each spring, the universities nominate candidates from the freshman class that will matriculate the next fall. In selecting nominations, the universities adhere to the selection criteria guidelines established by the Terry Foundation.

While the number of nominations and subsequent scholarships has grown substantially since the first scholarships were awarded in 1987, the process to win a scholarship has remained intensely competitive. In spring of 2003, the University of Texas and Texas A&M University were each limited to 175 nominations from the thousands of applications received.

The Foundation administration invites the finalists to formal interviews conducted concurrently in Austin, Houston, and Dallas. Finalists meet with a six-member panel consisting of members of the Foundation Board of Directors, Alumni Scholars and current Terry Scholars. The interview panels make the final selections and new Scholars are notified prior to May 1st of the interview year.

In April 2003, the eleven interview panels met with 350 finalists for the final selection process. Of those finalists, 166 were selected for Terry Scholarship Awards.

The Stipend

The Terry Scholarship Award holds the potential to be a full, four-year stipend. Initially, the scholarship is awarded for a Scholar's first year of college and is renewed annually at the discretion of the Board of Directors. In order to continue as a Terry Scholar, a student must maintain a cumulative 2.5 GPA, meet the requirements for mandatory attendance at specific Terry Foundation events, and fulfill other reporting requirements.

The Terry Foundation seeks to provide adequate financial support for each Terry Scholar so that students may concentrate on academics and college-related activities, without having to incur any debt to finance their education. In addition, the Foundation wants to eliminate the need for Scholars to work during the college years.

The amount of the stipend is based on the full cost to attend the universities, including tuition, fees, books, on-campus room and board, and miscellaneous expenses. Over the years, the amount of the stipend has increased each year due to rises in cost of living and tuition. The actual specific amount of the stipend will vary for each Scholar, depending on other scholarship awards and the Scholar's family's ability to contribute to the cost of college.

Lonna Williams and Leslie Williams. 2002 University of Texas Fall Banquet.

Funding

The Terry Scholarship Program is funded by the earnings of an endowment that has been provided solely by the Founders and is managed by the Terry Foundation. The current endowment is slightly in excess of \$100 million. The Foundation is structured to exist into perpetuity and anticipates additional growth based on incremental endowment by the Founders.

Robert Phan, David Mei and Barry Duong. 2002 University of Texas Fall Banquet.

UNIVERSITY OF TEXAS

University of Texas Main Building.

Now in its 120th year, the University of Texas at Austin is recognized among major universities for its accomplishments in research, teaching, and public service. It is the oldest and largest component of the 15-campus University of Texas System. Since its beginnings in 1883, the University has grown from a 40-acre tract to a main campus of more than 410 acres and 142 buildings.

The University boasts a unique blend of academics and social interaction that offers students opportunities to learn about themselves and others, on campus, in Austin, and around the world. With over 750 student organizations, students can become part of small communities of people with similar, or different,

ideas and interests. The organizations sponsor conferences, seminars, debates, cultural and social events, and fine arts programs. Students interact with local, state, and nationally renowned scholars, artists, politicians, academicians, and other professionals.

Students come to the University of Texas at Austin to define themselves as individuals and as part of larger, diverse communities. They come to achieve the extraordinary – to become tomorrow's leaders. The University helps individual students chart paths to leadership by helping them to uncover their potential. Some future and current Longhorn leaders exhibit outstanding academic

abilities, some choose to confront challenges, some continually search for new opportunities, and some achieve extraordinary personal success in overcoming difficulties and facing responsibility.

By attracting capable individuals from every segment of society, the University seeks to maintain a student body that is diverse in nature but united in its pursuit of higher education. In the 2002 fall semester, the University enrolled 52,216 students with richly varied ethnic and geographic backgrounds, from 50 states and 120 foreign countries. With 450 study abroad programs to more than 80 countries, the University also has the second largest number of students in the nation who choose to expand their knowledge of the world's cultures and peoples by pursuing their studies abroad.

The faculty of UT Austin is composed of 2,714 professors and lecturers supported by approximately 2,996 assistant instructors and teaching assistants. They include the winner of the 1967 Pulitzer Prize in History; a recipient of the 1968 Enrico Fermi Award; the 1970, 1991, 1993, and 2000 National Medal of Science recipients; and the winner of the 1979 Nobel Prize in Physics. The university has 1,183 endowed academic positions – 269 chairs, 498 professorships, 23 visiting professorships, 127 lectureships, and 266 fellowships. From the efforts of individual

faculty members to the work of 93 organized research units, scholarly inquiry covers a broad range of disciplines – literally spanning the known universe from the inner workings of atomic nuclei to the far reaches of space.

In addition to teaching and research responsibilities, faculty members maintain regular office hours and many serve as academic advisers to students. Although UT Austin is a large university, students will find most classes small enough to allow for considerable faculty and student interaction.

The University campus also extends beyond the boundaries of the main campus, incorporating research centers across the state that keep the University at the forefront of study in such areas as nanotechnology, robotics, geophysics, astronomy, marine science, history, literature, and engineering.

THE YEAR IN REVIEW

Campus Orientation

The Terry Scholars at the University of Texas and Texas A&M University gathered on campus in Austin and College Station for the Foundation's annual day-long Orientation programs. These events were held in late summer, just prior to the start of the fall 2002 semester.

For new freshman Scholars, Orientation is designed to focus special emphasis on the challenges faced by first-year college students. The day's events included presentations on the Foundation scholarship program by Board Chairman Rhett Campbell and President Ed Cotham. The Scholars also met with members of college administration and with invited guest speakers in the fields of time management and study skills.

The upper-class Scholars attended seminars on preparation for graduate school and post-baccalaureate careers, which featured counsel from professionals in the workforce, many of whom came from the growing body of Terry Scholar Alumni.

Scholars met at the end of the day with representatives of the two on-campus Terry Scholar organizations and enjoyed an informal dinner and networking with fellow Scholars. The Terry Scholar Student Association (at the University of Texas) and the Terry Foundation Student Organization (at Texas A&M University) organized and hosted the activities.

UT Terry Scholar Student Association Officers: Maureen McGonegle, Chauncey Wesley, Avery Holton, Dusty Reinert, Robert Reynolds and Lara Shrum at the 2002 Orientation.

Sophomores Fred Woods, Amber Hennington, and Kadria Derrick mingle at the 2002 A&M Orientation.

A&M Scholars Schylr Greggs, Fred Woods, Kadria Derrick, Amber Hennington, Alisa Womac, Courtney Carmichael, Joanna Graves and Courtney Potter enjoying pizza at the 2002 Orientation social hour.

The Fall Banquets

TEXAS A&M UNIVERSITY

In October of 2002, Scholars were hosted by the Foundation at the annual Fall Dinners.

Foundation Board Members and staff joined the Scholars and university guests on the campuses in elegant settings for the yearly seated banquets. The banquet at College Station was held for the second year in the beautiful new Jon L. Hagler Center on the campus of Texas A&M. Aggie Scholars greeted Howard and Nancy Terry and enjoyed dinner and networking with the Directors and fellow Scholars.

Joanna Graves, Courtney Potter and Megan Roth.

Schylr Greggs and Kevin Lohse.

The Fall Banquets

UNIVERSITY OF TEXAS

Later in the month, the Alumni Center at the University of Texas was the site of the banquet in Austin. UT Scholars enjoyed an evening of fine dining and fellowship, hosted by the Terrys. Scholars joined the members of the Foundation Board of Directors and staff and invited guests from the University administration for the annual event.

Foundation President Ed Cotham and Matt Wright.

Steven Mendoza, Shannon Smith and Angelique Balthazar.

Jon Pokorney, Mark Parvin, Randy Barrett and David Mei.

Foundation Board Member Emeritus Coach Darrell Royal and Danielle Moten.

THE YEAR IN REVIEW

Interview Week

April of 2003 brought the highlight of each Foundation year, when Interview Panels selected a record 166 new 2003 Scholars. The finalists came from every area of Texas to interviews held concurrently in Austin, Houston, and Dallas.

Members of the Board of Directors were assisted by 55 Scholar Alumni and current Scholars who served on eleven interview panels. Over the course of the week, the eleven panels interviewed 350 finalists nominated by the universities.

The Foundation Board of Directors extends special thanks to those Scholars and Alumni Scholars who assisted on the selection panels, with particular appreciation to Scholar Alumnus David A. Stephenson (UT - 1990), who served again as a panel chair in Austin.

Jodie Heineman, Chris Dreiling, Doug Stanley, Gayle Bean Stinson and Director Jim Davis. Dallas Interview Panel 2003.

Chris Wurtz, Ciara Williams, Mey Ly, Chad Pinson, Sarah Verstraete and Director Jim Davis. Dallas Interview Panel 2003.

THE YEAR IN REVIEW

The Winedale Picnic

The Foundation annual picnic is held the last Sunday in April on the grounds of the Winedale Historical Center near Round Top, Texas. All of the Scholars from both universities meet together for the only time each year for an informal gathering that honors the graduating senior Scholars.

The 2003 picnic was highlighted by warm spring weather and a record attendance: approximately 500 current Scholars were joined by the Foundation Board Members and staff, Alumni Scholars and their families, and guests from the universities.

Catered lunch was followed by the presentation of gifts to the graduating senior Scholars. Following tradition, each Scholar took the microphone to speak briefly of their future plans and then, as a group, honored Howard & Nancy Terry with gifts from each school's class of senior Scholars.

Following the formalities, the university Scholar Student organizations sponsored a fun-filled competition between the universities, fondly labeled as the "Terry Olympics." After a series of unique "sporting" events, Texas A&M was named the winner of the 2003 Olympics.

TEXAS A&M UNIVERSITY

Texas A&M University Academic building.

Texas A&M University, the Lone Star State's first public institution of higher learning, is one of the select few universities in the nation to boast triple land-grant, sea-grant, and space-grant status.

The 127-year-old university is located in College Station, a medium-sized community that is approximately equidistant among the state's most metropolitan areas. Its 5,200-acre campus is one of the largest in the nation and is the home of the George Bush Presidential Library and Museum, which opened in November of 1997.

Texas A&M has long been known nationally for its school spirit and traditions, including the fact that its students stand throughout football games as the Twelfth Man to indicate symbolically their willingness to suit up and play if needed. More recently, it has expanded its reputation to include national recognition for attracting top students, innovative research programs, and exceptional

academic programs in a host of areas. In recognition of its enhanced academic and related research programs, Texas A&M has been selected for membership in the prestigious American Association of Universities.

The university's student body includes some of this country's best students. Texas A&M, for example, has consistently ranked among the nation's top dozen schools in enrollment of new National Merit Scholars. In all, it has more than 2,500 students receiving major four-year academic scholarships and over 20,000 receiving some form of scholarship aid.

With more than 45,000 students, Texas A&M ranks among the five largest universities nationally. Among those students are more than 8,000 graduate and professional-school students. Included are students from all 50 states and more than 110 foreign countries. Women now represent almost half of the student body at the school that was once all male and all military. Although

military training has not been mandatory for more than a quarter of a century, some 2,000 young men and women still choose to participate in the university's Corps of Cadets. The Corps continues to commission more military officers than any institution except the service academies.

Texas A&M ranks among the top 10 universities nationally in endowment value, reflecting its ability to support world-class faculty and facilities and other aspects of the academic process. The faculty includes a Nobel Laureate, two winners of the National Medal of Science and more than 25 members who have been elected to either the National Academy of Sciences or the National Academy of Engineering.

The university's campus has numerous state-of-the-art laboratories and research facilities, including a research cyclotron, now one of only three of its caliber in the world. The university also has a leading chemical characterization center and various installations that enable it to be in the forefront in biotechnology and numerous other disciplines in both the life and physical sciences and in engineering.

The research work of an outstanding faculty in exceptional facilities places Texas A&M high in rankings of major universities by the National Science Foundation. The most recent NSF ranking placed Texas A&M among the top 15, and the university's volume of research has grown to approximately \$400 million annually. The research projects supported by that funding

Texas A&M University boasts a 5,200 acre campus.

encompass all of the university's academic colleges – agriculture and life sciences, architecture, business, education, engineering, geosciences, liberal arts, science, and veterinary medicine.

Not to be limited by state or national boundaries, Texas A&M is firmly committed to a global reach and perspective. Its international outreach efforts include memoranda of understanding with more than 85 foreign institutions and organizations in Europe, Asia, South America and Central America. In addition, Texas A&M operates the Santa Chiara Study Center in Castiglion Fiorentino, Italy, and a facility in Mexico City. It is scheduled to open a branch campus in Qatar in September of 2003. All costs for building and

operating the engineering-oriented campus in the Persian Gulf country are being paid by the Qatar Foundation for Education, Science and Community Development. Also, many College Station-based multi-disciplinary groups are devoted to enhancing research and scholarship opportunities both at home and abroad.

Major: General Studies

Alyssa M. Olvera
San Antonio, TX
Roosevelt High School
Major: Educational Psychology

Carrie A. Parker
Bryan, TX
St. Joseph Catholic High School
Major 1: Biomedical Sci.
Major 2: Animal Science

*Patrick Cowden, Daniel Rice and Heather Humphries.
2002 Texas A&M University Fall Banquet.*

Krishna A. Patel
Arlington, TX
Lamar High School
Major: Biology

Shannon C. Porter
Marshall, TX
Marshall High School
Major 1: Mechanical Eng.
Major 2: Civil Eng.

Courtney K. Potter
San Antonio, TX
Sandra Day O'Connor High School
Major: Journalism/Bus.

Jennifer E. Powell
Orangefield, TX
Orangefield High School
Major: General Studies

2002 TEXAS A&M UNIVERSITY

Rachel L. Redler
Round Rock, TX
Stony Point High School
Major 1: Biochemistry
Major 2: Spanish

Daniel R. Rice
Conroe, TX
Conroe High School
Major: Civil Engineering

UT Scholars Candace Hurst and Jennifer McCook preparing for Terry Olympics. The Winedale Picnic.

Jason A. Roddy
Humble, TX
Nimitz High School
Major: Computer Eng.

Jessica Y. Rodriguez
Deer Park, TX
Deer Park High School
Major: Biomedical Sci.

Gracie T. Rogers
Round Rock, TX
Stony Point High School
Major: Biomedical Eng.

Terry P. Romero III
Brazoria, TX
West Columbia High School
Major 1: Chemical Eng.
Major 2: Business

Megan C. Roth
Bryan, TX
Bryan High School
Major: Biomedical Sci.

Gloria G. Sanchez
Granbury, TX
Granbury High School
Major: Psychology
Minor: Spanish

Sarah A. Schott
San Antonio, TX
John Marshall High School
Major: Mathematics

Tiffany L. Seaman
Palacios, TX
Palacios High School
Major: Business

William D. Shattuck
Balch Springs, TX
West Mesquite High School
Major: Biology

Wil V. Strubar III
East Bernard, TX
East Bernard High School
Major 1: Civil Eng.
Major 2: Pre-Law

Karly D. Steffens
Brady, TX
Brady High School
Major 1: Chemistry
Major 2: Biology

Chelsy L. Stegall
Wichita Falls, TX
Rider High School
Major: Computer Eng.

2002 TEXAS A&M UNIVERSITY

Pake L. Stephens
 Blessing, TX
 Palacios High School
Major 1: Geology
Major 2: Volcanology

Stacey D. Stewart
 Academy, TX
 Academy High School
Major: Nuclear Eng.

Kelley A. Sweeney
 Alamo, TX
 South Texas High School for
 Health Professions
Major 1: Bus. Administration
Major 2: Economics

Amber L. Taylor
 Sherman, TX
 Sherman High School
*Major: Business
 Administration*

Kurtis W. Thomas
 Pasadena, TX
 Pasadena High School
Major: Ag Development

Ellen K. Tom
 Campbellton, TX
 Pleasanton High School
Major 1: Animal Science
Major 2: Agribusiness

Jennifer J. Wallace
 Houston, TX
 Jersey Village
 High School
Major: Education

Jantie L. Wernli
 Houston, TX
 S.P. Waltrip High School
Major: Civil Engineering

Shaun M. Wied
 New Home, TX
 New Home High School
*Major 1: Agriculture
 Systems Mgmt.*
Major 2: Business

Krystle N. Williams
 Houston, TX
 Aldine Senior
 High School
Major: Animal Science

Mikala G. Windham
 Normangee, TX
 Normangee High School
Major 1: Civil Eng.
Major 2: Business

Teri L. Windham
 Baird, TX
 Baird High School
Major: Biomedical Science

Scholars plot strategy for the Hula Hoop Contest. The Winedale Picnic.

Morgan Davis, Melissa Mire, Jennifer Powell and Kari Leavell at the 2002 Texas A&M Fall Banquet.

Jessica Griffin and Trisha Gutierrez at the University of Texas Orientation.

ABOUT THE FOUNDERS

Howard L. Terry

Native Texan Howard L. Terry was born in Milam County in 1916. He attended the University of Texas on an athletic scholarship and earned his B.B.A. in 1938. He was employed by Procter & Gamble until 1942, when he entered the U.S. Navy and served as a P.T. Boat commander in the Pacific during World War II. He later returned to Procter & Gamble, from which he was recruited to set up a chain of appliance stores, serving as General Manager until 1951. At that time, Terry went into business for himself in lumber, building, and development, building several residential subdivisions in Texas and other states.

Over the following years, Terry founded several businesses in various fields, including Business Funds, Marathon Manufacturing, Crutcher Resources, Allied Bancshares, and Farm & Home Savings. Beginning in 1979, he became a director and chairman of the executive committee of Penn Central Corp., a position he held until 1986. In 1987, he founded the Terry Companies, a multi-state corporation involved in oil & gas exploration and development.

Howard and Nancy Terry are both long time residents of Houston, Texas. Mr. Terry enjoys golf and is actively involved in the operations of the Terry Companies and the Terry Foundation. Despite his series of remarkable success in business endeavors in many fields, he often refers to the Terry Foundation as his finest achievement.

Nancy M. Terry

Nancy Terry is a native of New York State, born in Ogdensburg on the St. Lawrence River. She attended the School of Nursing at the University of Rochester, New York, where her hobbies included snow skiing, ice skating, swimming and antique collecting.

She subsequently relocated to Texas and for over thirty years has been married to Howard L. Terry, with whom she founded the Terry Foundation in 1986. Mrs. Terry is active in Foundation events and in the annual interviews in which the new Scholars are selected. Her principal interests now include golf, art, interior design, gardening, politics, her family, her dog, and the Terry Scholars.

ABOUT THE DIRECTORS

Rhett G. Campbell
Chairman of the Board

Rhett Campbell served on the original Board of Directors of the Terry Foundation and has worked closely with Howard and Nancy Terry in the management and direction of the Foundation since its inception in 1986. He was named Chairman of the Board in 2000.

Rhett is a partner in the Houston offices of the Thompson & Knight law firm, where his areas of specialization include civil trial and business bankruptcy. He was a founding member in 1977 of the Houston law firm of Morris & Campbell, where he practiced until 2001. He holds both a B.A. (with high honors) and J.D. (with honors) from Southern Methodist University, where he was honored as a Hatton Sumners Scholar and as a member of Phi Beta Kappa, Order of the Coif, and Order of Barristers.

Rhett is married to Houston native Susie Seybold. They have three children and reside in Houston.

Edward T. Cotham, Jr.
President

Ed Cotham serves as President of the Terry Foundation, where he assists Mr. Terry in the management of the Foundation endowment portfolio and serves as chief operating officer for the Foundation. In 1993, he was named President of Terry Petroleum Company. Prior to joining Terry Petroleum, Ed had practiced law with the Morris & Campbell law firm in Houston.

Ed holds an undergraduate degree in Economics from the University of Houston and a Masters Degree in Economics from the University of Chicago. A native Texan, Ed returned to complete a law degree from the University of Texas.

Ed and his wife, Candy, have one son and reside in Houston.

ABOUT THE DIRECTORS

John W. Storms

John Storms has served on the Foundation Board of Directors since its inception in 1986. John is the Managing General Partner of Storms & Critz, Certified Public Accountants, of Houston. John also serves on the boards of other business entities with operations as varied as banking, oil & gas, and restaurant operations. He is also an active member of the board of Child Advocates, Inc. of Houston and is currently an officer and board member of National CASA Association, the national oversight organization for over 900 such entities across the United States.

John is a Certified Public Accountant and holds a B.B.A. from the University of Texas and an M.B.A. in taxation from the City University of New York.

John and his wife, Charlene, reside in Houston and are the parents of two grown daughters and five grandchildren.

Robert Carter Overton, III

Carter Overton has served on the Foundation Board of Directors since its inception in 1986. Carter is the President and C.E.O. of JMI Energy, Inc. of Houston. He worked previously for Terry Petroleum Company, where he served as Vice President of Operations. Carter also serves on the Board of the Texas Business Hall of Fame Foundation.

A native Houstonian, Carter received both his B.B.A. in Petroleum Land Management and his M.B.A. from the University of Texas.

Carter and his wife, Tine, reside in Houston with their two daughters.

ABOUT THE DIRECTORS

James D. Davis

Jim Davis is a Principal and Consulting Actuary for Milliman, USA in Dallas, where he specializes as a pension actuary and retirement consultant and oversees each of the consulting units in the firm's Dallas office.

A native of Quitman, Texas, Jim was named a Terry Scholar in 1989 and graduated from the University of Texas in 1993, where he received a Bachelor of Arts Degree in Economics (with highest honors) and was elected to Phi Beta Kappa.

Jim was named to the Foundation Board of Directors in 2000, one of the first Alumni Scholars to be elected to the Board. He lives in Dallas with his wife, Stephanie, and their three daughters.

Yvonne Rode Moody

Yvonne Rode Moody was named one of the first Terry Scholars as part of the original class in 1987. She was named to the Foundation Board in 2000, one of the first Alumni Scholars to be named to the Board.

A native of Fredericksburg, Yvonne received a B.S. in Mechanical Engineering from Texas A&M in 1991. She worked for eight years with Chevron as Construction Project Manager for the Houston Retail Marketing Group.

Yvonne's most recent position is as full time Mom to two daughters, with whom she and her husband, Ted, live in San Antonio.

ABOUT THE FOUNDATION STAFF

Director of Scholar Relations

Beth W. Freeman

Beth Freeman has played a key role in the Terry Foundation since the Terrys established the organization in 1986. Beth joined the Terry Operating Companies in 1983 and was named Terry Foundation Administrator in 1986. For many years, Beth has been the primary liaison among the Foundation Board of Trustees, the Terry Scholars, and the participating universities, the University of Texas and Texas A&M University. She was named Director of Scholar Relations in 2002.

Beth coordinates the annual Foundation events and manages communications with the growing body of Scholars and Scholar Alumni. She supervises and organizes the annual spring interview process and serves as Foundation liaison with the Offices of Student Financial Aid at both universities.

Foundation Staff

The Foundation Staff includes Jamie M. Skillern, Robert L. Parker, Barbic Tyler and Brandy N. Skillern.
